IHFC Player Football Kit Policy

All Iwade Herons Football Club kit issued to players remains the property of Iwade Herons FC at all times and is returnable upon request to the Club. It must not be worn other than attending Iwade Herons FC matches, training and tournaments.

If you lose any part of the club kit you may be asked to pay for the item to be replaced and this will be done through our central supplier.

Upon leaving the club, all kit must be returned to the club before any players transfer will be permitted. Kent FA will block any transfer until they are satisfied we have received all kit.
